

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

2. Thy gifts are manifold, thou writ'st  
 God's laws in each true heart;  
 The promise of the Father, thou  
 Dost heav'nly speech impart.  
 Enlighten our dark souls, till they  
 Thy sacred love embrace;  
 Assist our minds, by nature frail,  
 With thy celestial grace.
3. Drive far from us the mortal foe,  
 And give us peace within;  
 That, by thy guidance bless'd, we may  
 Escape the snares of sin.

Teach us the Father to confess,  
 And Son, from death reviv'd;  
 And, with them both, thee, Holy Ghost,  
 Who art from both deriv'd.

4. With thee, O Father, therefore, may  
 The Son, from death restor'd;  
 And sacred Comforter, one God,  
 Devoutly be ador'd:  
 As in all ages heretofore  
 Has constantly been done,  
 And now it is, and shall be so  
 When time his course has run.
